**FISCAL IMPACT STATEMENT**

**LS 7224**

**BILL NUMBER:** HB 1151

**NOTE PREPARED:** Jan 2, 2003

**BILL AMENDED:**

**SUBJECT:** Disposal of cremated remains.

**FIRST AUTHOR:** Rep. Lytle

**FIRST SPONSOR:**

**BILL STATUS:** As Introduced

**FUNDS AFFECTED:** ☒ **GENERAL**  
☒ **DEDICATED**  
☐ **FEDERAL**

**IMPACT:** State & Local

**Summary of Legislation:** The bill makes cremation (instead of scattering of the remains) or other disposition of human remains the final disposition for purposes of the cemetery law. It provides that a person who knowingly or intentionally fails to register a crematory or file an annual report commits a Class D felony.

**Effective Date:** July 1, 2003.

**Explanation of State Expenditures:** There are no data to indicate how many offenders may be convicted of knowingly or intentionally failing to register a crematory or file an annual report. A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$25,087 in FY 2001. Individual facility expenditures ranged from \$18,520 to \$54,465. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months.

**Explanation of State Revenues:** If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D felony is \$10,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund.

**Explanation of Local Expenditures:** If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

**Explanation of Local Revenues:** If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
